Who We Are

The Enrichment Centers, Inc. provides fun, effective, and innovative academic programs for students of all ages in Maryland, DC, and Virginia. We offer year-round mentoring, tutoring, and after-school programs in all subjects with remedial, enriched, or, accelerated learning. We are able to come to you.

You can also participate in our summer program at a location near you. Here, your child has the option of individual or small group tutoring in a number of specialized areas, as well as a Summer filled with general enrichment. All programs are offered with half-day or full-day options. Each session is one-week long and provides a unique experience; multiple sessions are encouraged.

Enrichment

A healthy balance of academics with extracurricular activities includes:

- Math, science, reading, writing, history, and languages
- Art, music, theater, and dance
- Computer graphic design, programming, web design, typing, and Internet
- Creative thinking and expression; empowered learning
- Social skills development
- Concentration, organization, test prep and study skills

Small Group Tutoring

Academic Subject Tutoring

After registering you may fill out our online questionnaire for any small group or individualized programs and we will customize your program

We provide opportunities for:

- All subjects and levels
- Special academic needs
- Remedial and accelerated programs
- Personalized setting

Mindful Learning

A unique collaboration with yoga teachers offers:

- Play, movement, yoga
- Creative arts and mindfulness
- Writing, language, and math

Singapore Math

Using internationally acclaimed methodology, highly trained staff teacher:

- Problem solving strategies
- Logical concepts

Small Group Tutoring (continued)
