**The Enrichment Centers, Inc.** provides fun, effective, and innovative language programs for students of all ages living in Maryland, Washington DC, & Virginia. We offer year-round mentoring, in-home tutoring, & after-school programs in all languages with remedial, enriched, or accelerated learning.

### Summer Programs

We offer various language classes at all of our summer centers. Our Summer Learning Language with Laughter Immersion in Spanish, French, Chinese, or Japanese is offered as half or full day programs. Each week-long session provides a new experience & multiple sessions are recommended for best results. We also offer individual tutoring in a number of languages.

### Individual Tutoring

Students receive 1-on-1 instruction in exciting, stimulating, & challenging lessons. Tutors can teach every level of language, providing a complete immersion experience. We offer many languages including German, French, Russian, Korean, Arabic, Farsi, Hebrew, Hindi & more!

### Small Group Language Immersion

Young children pick up languages almost effortlessly. Our immersion program begins early & goes up through adults. We offer language & cultural immersion programs for all ages in French, Spanish, Chinese, Japanese, & English as a Second Language (ESL). We emphasize the diversity of cultures including traditional games, music, & art

### Year-Round Programs

We offer several after-school language classes at local schools. Please contact us to arrange one at your school, church, community center, or library. We also offer in-home language classes or 1-on-1 in dozens of languages!
