LEARN MAGIC TRICKS!

Mystery Academy at The Enrichment Centers, Inc. is a complete course of instruction in the Art of Magic for children of all ages. Students learn a wide variety of magic tricks, participate in magical games and activities, as well as dramatic presentation, comedy, manual dexterity, and more! Mystery Academy is founded on the idea that magic as a performing art combines the best of many arts and sciences to produce a student who is disciplined, self-motivated, imaginative, and confident.
